

"If I die from the weight of my regrets, would I still ascend with a broken soul made up of sins?"

ABOUT THE BAND

Desire X are an alternative rock band from Bristol, formed in 2024 by songwriter and vocalist **Adam Castelete**, with **Mike Castelete** (guitar/bass) and **Sonny Pritchard** (guitar).

Their sound works the balance between intensely passionate vocals, heavy riffs and ambient soundscapes — six singles deep, with *Repair* past 30,000 streams and *Break the Chain* past 25,000.

Recent Bristol shows at The Fleece and Exchange have grown the band locally and built a reputation as a hard-hitting live act.
